Parents / Guardians,

Mary F. Janvier’s annual *Back to School Night* program will be held virtually on Tuesday, September 22<sup>nd</sup>. While this year’s program is different from those of past years due to Covid – 19, the Mary F. Janvier Elementary School staff is looking forward to seeing you at our virtual *Back to School Night*. We encourage your involvement in the continuance of our goal of providing a safe and academically stimulating environment where all children can achieve their potential in a positive manner.

This program is for the parents of all Mary F. Janvier Elementary School students. Google Meet invitations with links will be sent by classroom teachers through their daily communication platform. Additionally, a link for a series of videos / slideshows will also be communicated by your child’s classroom teacher through their daily communication platform. These videos / slideshows will present information from Related Arts Teachers, our school’s Basic Skills Team, our School Nurse, and our School Counselor. I will also be creating a “welcome” video. The link for these videos / slideshows will also be posted under the Parents / Students tab on our school’s website. Please note the grade – specific Google Meet schedule that is found below:

\*\* As 2<sup>nd</sup> Grade students have separate ELA and Math teachers, partner teachers (both ELA and Math) will attend a segment of the homeroom presentations. As a result, parents / guardians only need to attend the 2<sup>nd</sup> Grade homeroom presentation at the time specified above to listen to presentations conducted by their child’s ELA and Math teachers. 2<sup>nd</sup> Grade homeroom teachers by subject are as follows:

Lloyd / Burrell – ELA  
Taberne – ELA  
Nocentino – ELA  
Garofolo – ELA

Masotti - Math  
Bittner - Math
